The defendant has moved for an order allowing her to be released from detention to reside at St. Monica's Behavioral Health Services for Women and receive inpatient substance abuse treatment. Filing No. 22. Pretrial Services and the government do not oppose the defendant's motion. Upon review of the defendant's motion and the court's record, the court finds defendant's motion should be granted.

Accordingly,

- 2) Counsel for the defendant shall make the arrangements for defendant's transport to the facility.
